General Admission Information

(Degree, Diploma, and Certificate)

Robeson Community College maintains an "Open Door" policy for all applicants that are high school graduates or hold a high school equivalency certificate (GED) which satisfies North Carolina standards. The College serves all students regardless of race, color, creed, sex, disability, or national origin. All applicants may be admitted to the different curricula based upon individual preparation and readiness.

To enroll in a credit program to earn an associate degree, a diploma or certificate, follow these Admissions procedures:

1. Request an application. Information concerning completion/graduation rates for students who have enrolled at Robeson Community College on a full-time basis are available in the Office of Admissions (Student Center, Room 1301).
2. Return the completed application to the Admissions Office.
3. Request all high school and college transcripts be mailed to the Admissions Office.
4. Complete placement testing and admissions interview.

Note: The test requirements may be waived for those who have prior college credits or acceptable SAT/ACT scores. However, this does not apply to Respiratory Care and Associate Degree Nursing curriculums. They must complete the ACT ASSET or ACT COMPASS.

Note: Allied Health programs and Cosmetology have additional admissions requirements. The requirements may be obtained from the Admissions Office.

When these procedures are completed, the Admissions Office will notify the student of his/her enrollment status.

Special Credit Admissions

A special credit student is one who is enrolled in curriculum credit courses but is not planning to earn a degree, diploma, or certificate. To matriculate as a special credit student, the student need only to file an application. Special credit students will be allowed to earn a maximum of twelve (12) credit hours. To continue beyond special credit status, the student must meet all admissions requirements before declaring an educational objective. After a special credit student selects a major, applicable credits earned as a special credit student will be applied toward his/her course requirements for graduation. Special credit students are not eligible to receive financial aid or Veterans benefits. Exceptions to the twelve credit hour maximum are outlined in the Student Handbook.

Auditing Students

Students who wish to audit a course should follow the same registration procedures as Special Credit Students. Audited courses carry no credit hours and earn no quality points. The tuition rate for auditing a course is the same as that charged for credit enrollment.

A student must declare his "auditing" status in writing to the Office of the Registrar by the last day of the drop/add period.

Weather Related Closings

During periods of inclement weather, there may be times in which the College may close if the weather conditions present a safety hazard to students and college personnel. The following radio and television stations will be notified of official closings of the college:

Spring Semester Registration & Information

Academic Advising

At Robeson Community College, we are committed to helping students develop a meaningful educational plan that relates to specific abilities, values, interests, and career goals. **You must see an academic advisor before you register for classes.**

It's the Law

The College reserves the right to make public the following directory information unless a student's written objection specifying the information not be made public is filed with the Registrar within 30 days after each semester begins. Directory information includes: the student's name, address, telephone listing, major field of study, dates of attendance, degrees and awards received and the most recent previous educational agency or institution attended by the student. For more information concerning this article, refer to Privacy Rights Act of Parents and Students Public Law 93-380 as published in the RCC Catalog and Student Handbook or contact Records and Registration at 738-7101, ext. 162.

Disclaimer Policy

This schedule has been carefully prepared to assure that all information is as accurate and complete as possible. However, changes may occur and in some instances, it may become impossible to offer some courses outlined in this schedule. RCC reserves the right to make such changes in the schedule, in teaching assignments, in class locations, and in offerings as are necessary.

Campus Parking

Campus parking is available for students. Each vehicle driven by a student to campus must be registered and display a valid parking permit. For additional information concerning the registration of vehicles, please contact Tutoring Services in Student Services. Parking permits are provided free to all students.

Refund Policy

Statewide Refund Policy for all North Carolina Community Colleges:

1. A student who officially withdraws from the College prior to the first day of the College academic term will be eligible for a 100 percent tuition refund if requested (Students enrolled in fourteen or more hours after the withdrawal are not eligible for a refund).
2. A 75 percent refund shall be made if the student officially withdraws from the class(es) prior to or on the official 10 percent point of the term.
3. Refund request forms are available in the Registrar's Office. Students enrolled in fourteen or more hours after the withdrawal are not eligible for a refund.
4. If you are entitled to a refund, you must apply for the refund at the Records and Registration Office at the time of the withdrawal.

Residency Policy

North Carolina law (G.S. 116-143.1) requires that "a legal resident must have maintained his domicile in North Carolina for at least the twelve months immediately prior to his classification as a resident for tuition purposes." For regulations and services, please refer to College catalog.

Continuing Education Schedule

To provide you with up-to-date information, we print the curriculum class schedule at a different time from the Continuing Education Division schedule.

Curriculum classes are listed in this schedule. The Continuing Education schedule will be printed later and will be available in early December. If you need additional information about Continuing Education classes, please call 738-7101.
